Residents encouraged to donate school supplies at the Evans Police Department

Help a child. Help your community.

Evans residents are encouraged to donate school supplies to help kids in the Greeley/Evans School District 6.

The Evans PD Lodge 64 purchased 38 backpacks to distribute to schools in Evans and those backpacks will need to be filled. The items in need are: notebooks, paper, pencils, markers, erasers, glue, Kleenex, crayons, and folders.

Donations will be received at the Evans Police Department at 1100 37th Street in Evans between 8am-5pm, Monday through Friday. Residents should look for the box placed directly outside the customer service window of the Police Department.

Additional inquiries should be directed to Officer Teresa McClatchey

Evans Kicks off 'Back to School' Season Free Community Events

August brings in another new school year. All schools in Greeley-Evans District 6, and Union Colony Elementary, start classes on Thursday, August 15th for 1st through 12th graders. Kindergarten classes start on Monday, August 20th.

School Kickoff Community Celebration

In preparation for the 2019 school year, Greeley-Evans District 6 is hosting its 6th annual School Kickoff Community Celebration on Saturday, August 10th from 10:00am to 1:00pm at Island Grove Regional Park (501 North 14th Avenue in Greeley). The event is free to attend, and offers free backpacks for District 6 students, a free lunch, and free community booths. Lunch for the event starts at 10:30am and is served while supplies last. Pets are unfortunately not allowed on the premises during this time. Applications for free/reduced school lunches and information about other various District 6 programs are available as well.

Free Backpacks and School Supplies

The backpacks, which are filled with school supplies, are generously provided by several sponsorships and donors, and over 3000 of these backpacks were put together for 2019. The backpacks are only available for District 6 students (preschool-12th grade), students must be present at the event to receive them, and names are checked against District 6 registration lists to confirm qualification (limit 1 backpack per student; available while supplies last).

Sports Physicals

Students who have not yet registered for classes can also do so at this event. Additionally, Banner Family Practice and Mountain Vista Orthopedics are on site to perform sports physicals for students.

Back to School Bash

Another event is the Back to School Bash planned by the High Plains Library District on Wednesday, August 14th at the Riverside Library and Cultural Center (3700 Golden Street in Evans) from 4:00pm to 6:00pm. This event is also free to attend and features back to school information for students, free family games and activities, a meet and greet with llamas, and community organization booths. Help with free or reduced school lunch applications is available at this event also.

"These events are a great way for Evans students and their families to feel prepared and excited for the upcoming school year," says Evans PD's Officer Teresa McClatchey.

Evans Police Collect School Supplies for Students

The Evans Police Department is also encouraging Evans residents to donate school supplies for students for the 2019 school year. The Evans PD Lodge 64 purchased 38 backpacks to distribute to Evans schools and is asking for supplies with which to fill those backpacks. The items requested are: notebooks, paper, pencils, marker, erasers, glue, Kleenex, crayons and folders. Donations can be dropped off at the Evans Police Department (attached to the Evans Community Complex at 1100 37th Street in Evans) in the donation box outside of the PD customer service window from 8:00am to 5:00pm, Monday through Friday. Inquiries for additional information can be made to Officer Teresa McClatchey at tmccclatchey@evanscolorado.gov

Safety Tips for Kids Going to School

Help your child pick a safe route to school and remind them to stick to that route.

- Tell your child that they should never hitch-hike or take rides from people not arranged by their parents.
- Tell your child to walk in groups.
- Tell your child not to talk to strangers.
- Tell your child to walk on the sidewalk if there is one.
- Tell your child to always cross the street at a corner or crosswalk or using a traffic signal; tell them to cross with a crossing guard if there is one.
- Tell your child to Stop, Look and Listen before they cross the street and to look both directions when crossing.
- Remind your child to never run into the street after a ball, pet, or any other reason.
- Remind your child not to push, shove, or chase one another when they are near the street.
- Tell your child to use busy, well-lit streets.
- If your child is outside when it is getting dark, remind them to wear reflective or bright colored clothing.

Biking Safety

Help your child select a helmet that fits properly.

- Remind your child to Stop, Look, and Listen before crossing the street.
- Tell your child to wear brightly colored clothing when riding in low light.
- Remind your child to obey all traffic signals and stop signs.
- When in a group, remind your child to ride bicycles in a single file.
- Tell your child to watch for uneven pavement or other surface problems that could cause them to crash.

Driver Safety in School Zones

As the new school year quickly approaches it's a great time to refresh your knowledge of safe driving behaviors in our school zones, especially in regard to school buses and their pickup/drop-off points:

Be alert!

Children arriving late for the bus may dart into the street without looking for traffic. Kids can be unpredictable in their actions, and it is your responsibility to anticipate and prepare to react to what they may do. Also watch carefully for children playing or gathering around school bus stops.

Drive slowly!

Throughout school zones make sure you watch for children walking in the street, especially if there are no sidewalks in the neighborhood.

Learn and obey the school bus laws:

A school bus with flashing yellow lights means it is preparing to make a stop to load or unload children. As a motorist, you need to slow down and prepare to stop yourself.

A school bus with red flashing lights and the STOP arm extended means it is at a complete stop for a variety of reasons, and as a motorist you need to stop 20 feet before reaching the school bus. The laws signify that you may not proceed driving until the visual signal lights are no longer activated. There is only one exception, and that is for oncoming traffic; if there's a painted lane in the middle of the road for turning, or a median, then oncoming traffic does not have to stop.

By staying alert, driving the posted speed limits, anticipating children in school zones, and following school bus laws, you can make our city a safer place for all.

Evans Goes Big on National Night Out

In commemoration of its 150th Anniversary, the City of Evans and the Evans Police Department will host a city-wide celebration on National Night Out.

"2019 marks the city's sesquicentennial anniversary and National Night Out is a great way to celebrate Evans 150th birthday," Evans Police Chief Rick Brandt said. "It's an amazing event and every year it gets better."

The Evans Police Department have organized 12 events that are scheduled throughout the night. Two of those events are welcome to anyone in the community. Free cold treats and outdoor games will be provided at those locations. The times and locations are listed below.

- Riverside Library and held at City Park (39 Street / Golden Street)
5:00 pm – 6:30 pm
- The new park located at 34 Street & 15 Avenue
6:00 pm – 7:30 pm

The remainder of the events are in Evans subdivisions and reserved for residents of those neighborhoods.

"When the public interacts with the police in a positive environment, it only strengthens our bond with the community," Evans Community Resource Officer Teresa McClatchey said. "That's why National Night Out is such a special occasion for us. It gives the officers a chance to connect with the community and it offers a comfortable environment for the residents to interact with us."

National Night Out is a crime and drug prevention event sponsored by the National Association of Town Watch and co-sponsored locally by the Evans Police Department. 2019 marks the 36th anniversary of the event. More than 38 million people across the country expected to participate.

National Night Out is designed to:

- Heighten crime and drug prevention awareness.
- Generate support for, and participation in, local anti-crime efforts.
- Strengthen neighborhood spirit and police/community partnerships.
- Send a message to criminals letting them know neighborhoods are organized and increasingly aware of their surroundings.

Participating neighborhoods nationwide are asked to turn on outside lights and spend the evening outside with neighbors, citizens, and police. Neighborhoods will be hosting a variety of events ranging from small potlucks and barbecues to large block parties. Some additional event ideas include, but are not limited to: ice cream socials, games, contests, discussing neighborhood issues, setting neighborhood goals, beautifying a common area, discussing or planning a Neighborhood Watch Program. It's up to you – be creative, have fun and celebrate with your neighbors!

Contact Officer Teresa McClatchey at the Evans Police Department (970) 590-1504 or by email at tmcclatchey@evanscolorado.gov for more information.

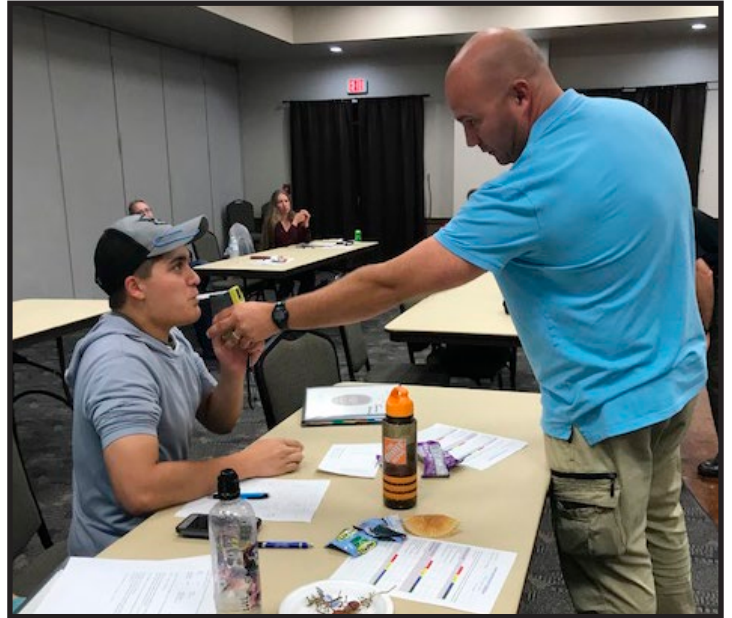

Citizens Police Academy returns in the Fall of 2019

The Evans Police Department is pleased to announce our Fall 2019 Citizens Police Academy. The nine-week academy will run September 3 through October 29, 2019, with classes held on Tuesday evenings from 6:00 pm to 9:00 pm. Additionally, the department will offer a Saturday morning class, September 21 from 9:00 am to 1:00 pm, at the range which will include firearms and less lethal shotguns.

The Citizens Police Academy promotes community partnerships and is designed to familiarize participants with the day-to-day operations of the police department. Participants will attend lectures on topics such as crime scene investigations, traffic enforcement, accident investigation, SWAT, narcotics, less-lethal force, and human trafficking.

The program is free of charge. Seating is limited to 25 participants and you must be at least 18 years of age to participate. A background check will be completed on applicants prior to acceptance. Applications can be obtained at the Evans Police Department front desk during regular business hours, Monday through Friday between 8:00 am and 5:00 pm, or by contacting Officer Teresa McClatchey at 970-590-1504 or email at tmcclatchey@evanscolorado.gov. @

Application deadline is August 23, 2019.

Ranous attends prestigious FBI Academy

Evans Police Commander Dan Ranous is one of roughly 250 officers worldwide that was invited to attend the prestigious FBI Academy.

Approximately 1% of Police Officers worldwide are invited to attend the FBI Academy in Quantico, Virginia. One of those attendees is one of Evans finest: Commander Dan Ranous.

"It's a prestigious school and it's an honor to be selected to go," Evans Police Chief Rick Brandt said. "We're really excited for him to go to this thing and come back with all of his new knowledge and abilities."

The 10-week course gathers roughly 250 command level officers worldwide to train in police sciences, behavioral sciences, organizational behavior, and a variety of Law Enforcement studies.

"[He can participate in] almost any course of study that he wants to engage in that deals with command level responsibilities."

Ranous will return to Colorado in the fall of 2019 with an arsenal of Law Enforcement knowledge that will help keep the Evans community safe.

"That's why I'm doing this: to keep my city, the City of Evans as safe as possible," Ranous said. "It's truly an honor to attend and I'm going to make the most of this opportunity."

Chief Brandt attended in 2005 and former Evans Police Officer Jason Phipps has also attended the academy.

Win prizes by playing the Evans History Hunt

Explore, learn, and #CelebrateEvans 150th Anniversary by playing the Evans History Hunt. You could win prizes just for playing! Participants are automatically entered into a drawing to win weekly prizes and a grand prize package worth more than \$200.

The Evans History Hunt officially kicks off August 9th and will continue through November 1st.

Here's how to play:

- Download and print the map and quiz here: <https://bit.ly/2MzMJho>. You can also pick up a map and quiz at the front desk of the Evans Community Complex: M-F, 8am-5pm. Or, download the latest issue of the Evans Express here: <https://bit.ly/2DQ1iLl> and print off pages 12 & 13 of the August edition.
- When you arrive at a location listed on the map, look for a sign that says **"Evans History Hunt"**. The sign will feature historic information that holds the answers to the quiz. Simply read the sign and write down the answers to the questions on the quiz.
- You're almost there! Once you've visited each location and written down the answers, return the quiz, along with your contact information to the City of Evans Community Complex 1100 37th Street | Evans, CO 80620.

Somebody say prizes! Yes!

- Upon submitting your quiz to the Evans Community Complex, you will receive a 10-day family pass to the Evans recreation and be entered to win weekly prizes. The 10-day family pass is limited to a family of four and limited to one pass per household.
- Weekly prizes will be awarded each Friday
- The grand prize gift basket is worth over \$200 in prizes.

The City will announce the winner on November 29th at Holiday lighting Ceremony. One entry per person allowed.

Evans Celebrates 150 Years: Dearfield

About half an hour east of Evans lies a tangible piece of history that many locals don't even know the entire history of: the ghost town of Dearfield, Colorado.

In 1910, O.T. (Oliver Touissant) Jackson filed what is known as a desert claim to create an African-American agricultural community which would later come to be known as "Dearfield." Jackson, who was an entrepreneur and was previously a messenger for three governors, established the all-black colony and opened it to settlers a year later in 1911. By 1920, close to 300 people called Dearfield home. The settlers grew their own crops and lived off the land but also established retail businesses, restaurants, churches, and even a gas station.

While the community was growing and thriving and seemed as though it would continue to do so, the coming decades would prove to be too much for Dearfield. The 1920s brought a severe economic downturn in the form of the Great Depression, and the 1930s brought arguably an even more unrecoverable setback in the form of the Dust Bowl. The Dust Bowl was caused largely by the over farming of sugar beets, wheat, and a variety of other crops. The money that this sort of farming brought in was too tempting to pass up, but unfortunately with the vast number of farmers taking advantage, the grass roots that made up the top soil of lands throughout Texas, Oklahoma, Kansas, New Mexico and Colorado were compromised. The ecological impact caused terrible dust storms throughout this region of the country in the 30s that ruined crops and even killed livestock.

By 1946, Dearfield was all but abandoned. Miraculously a few structures remain on the property, and in 1995 Dearfield was listed on the National Register of Historic Places. The Dearfield ghost town is now a rare piece of Weld County history that remains largely untouched, a vision of the past that remains physically rooted in our present.

Infrastructure Update

'Tis the season for road construction. To ensure the City of Evans has prioritized infrastructure maintenance, several major projects are underway or on schedule to break ground soon.

35th Avenue

35th Avenue widening nearing completion

The 35th Avenue Widening Project is nearing completion. Entering the month of August, final paving has been completed and the work scheduled to be complete includes:

- Median curb and gutter installation
- New streetlights on both sides of the road
- Landscaping and sidewalks along the east side of the roadway following the streetlight installation

The 35th Avenue widening project will deliver a four-lane arterial standard for north and southbound traffic between 37th Street and Prairie View Drive.

37th Street utilities project

The 37th Street Utilities Project is replacing undersized and aged utility infrastructure prior to resurfacing 37th Street from 23rd Avenue east to the railroad tracks in 2020. In advance of the overlay project, curb and gutter will be replaced, handicap ramps will be installed or upgraded, and portions of sidewalk will be replaced.

The project is progressing in three, primary segments:

- Sanitary sewer replacement extending from 11th Avenue to 17th Avenue
- Water line replacement from Latham to 23rd Avenue
- Storm sewer replacement east to the railroad tracks

37th Street

Hwy 85 and 31st Street

New service road coming to Highway 85 and 31st Street

The City plans to break ground on a new service road at Highway 85 and 31st Street during the summer of 2019. The goal is to increase safety at the intersection of Highway 85 and 31st Street. The project will separate the service road from Highway 85, reduce congestion, and simplify traffic flow at the Highway 85 and 31st Street intersection. A new road will be routed west from the service road along Southgate Drive and then south to 31st Street. The City will also close a portion of the west service road at the intersection.

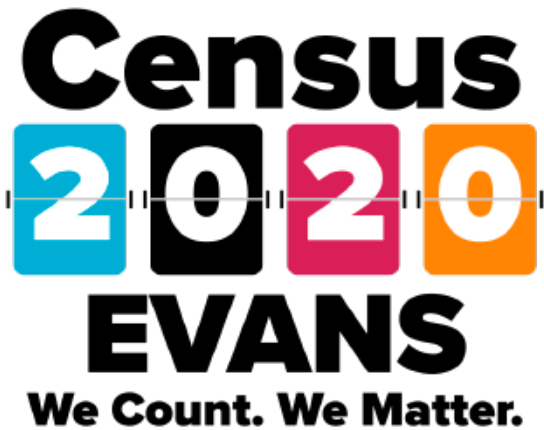

Mountain Constructors is the primary contractor and will be mobilizing the week of July 29th. The anticipated completion date is the fall of 2019.

2020 Census will be crucial for Evans and Weld County

Why It Matters

Hospitals. Fire departments. Schools. Even roads and highways. The census can shape many different aspects of your community. Each year, the results help determine how more than \$675 billion in federal funding is distributed to states and communities. It's also mandated by the Constitution: The U.S. has counted its population every 10 years since 1790.

A census canvasser verifies an address.

What to Expect in 2020

By April 2020, households will receive an invitation to participate in the census. You'll then have three options to respond: online, by phone, or by mail. We'll mark Census Day on April 1, 2020, with events across the country. This is a key date for the 2020 count: When completing the census, you'll note where you are living on April 1.

Am I Required to Respond to the Census?

Yes, all people living in the United States, Puerto Rico, American Samoa, Commonwealth of the Northern Mariana Islands, Guam, and the U.S. Virgin Islands are required by law to be counted in the 2020 Census.

Why It's Required

Getting a complete and accurate census count is critically important. That's why your response is required by law. If you do not respond, the U.S. Census Bureau will follow up in person to collect the information.

Why is the census so important? The results are used to determine how many seats your state gets in Congress. State and local officials also use census counts to draw boundaries for congressional districts, state legislative districts, and school districts.

And just as you are required by law to participate, the Census Bureau is bound by law to protect your answers. Your responses are used only to produce statistics. The Census Bureau does not disclose any personal information.

Starting in 2019, you may begin to notice census takers in your neighborhood. This is a normal part of the 2020 Census preparation and data collection process. Census field representatives will also continue to collect information for the American Community Survey (ACS) and other ongoing surveys.

Why Does the Census Bureau Do This?

You might see census takers in your neighborhood for a few different reasons:

- They are verifying addresses in preparation for the census.
- They are collecting responses to the census or another survey.
- They are dropping off census materials.
- They are conducting quality checks on the census.

Census takers who verify addresses are called address canvassers. They help ensure an accurate and complete count by verifying address lists across a wide area of physical geography, housing structures, and residence types. Part of this effort involves census takers on the ground noting where houses, apartments, shelters, and other residences are located.

Census takers will begin visiting homes in 2020 to collect responses from those who did not respond online, by phone, or by mail. At the same time, there will be other surveys ongoing, such as the American Community Survey, so there will also be census field representatives visiting homes for other reasons as well.

How Can I Verify the Identity of a Census Worker?

If you are visited by someone from the U.S. Census Bureau, here are some tips to assure the validity of the field representative:

- Census takers must present an ID badge that includes a photograph of the field representative, a Department of Commerce watermark, and an expiration date.
- Note that census workers may be carrying a Census Bureau phone or a laptop as well as a bag with a Census Bureau logo.
- If you still have questions, call 800-923-8282 to speak with a local Census Bureau representative.

How Can I Avoid Being Visited at Home by Census Workers?

The best way to avoid being visited at home is to fill out your 2020 Census online, by phone, or by mail. Households will receive an invitation to begin participating in the census by April 1, 2020.

This is the first time ever that you'll be able to respond to the census online!

SILVERSNEAKERS CLASSES

STABILITY

Monday OR Wednesday

7:30-8:15am

Friday | 8:30-9:15am

The movements focus on specific exercises to improve strength and power around the ankle, knee and hip joints, while improving your reaction time. This class is designed for fall prevention and is suitable for nearly every fitness level.

YOGA

Monday OR Wednesday

8:30-9:15am

Move through seated and standing yoga poses designed to increase flexibility, balance and range of movement.

CARDIO FIT

Monday, Wednesday OR

Friday | 9:30-10:15am

Try a safe and heart-healthy aerobics class to energize your active lifestyle using low-impact movements that focus specifically on building upper-body and core strength plus core endurance. This is a higher intensity class.

Designed to increase muscle strength, range of movement and improve activities for daily living. A chair is used for seated exercises and standing support and class can be modified depending on fitness levels.

CLASSIC

Tuesday OR Thursday

8:30-9:15am

CIRCUIT

Tuesday OR Thursday

9:30-10:15am

The SilverSneakers Circuit workout offers standing, low-impact choreography alternated with standing upper-body strength work with hand-held weights, elastic tubing with handles and a SilverSneakers ball.

TAI CHI CHIH

Tuesday 10-11am | \$9 for a 4-week session

Tai Chi Chih is a gentle moving meditation that brings balance, peace and joy to life. The purpose of Tai Chi Chih is to balance and circulate the natural energy of the body.

All classes above are FREE for SilverSneakers members. For all others, it is \$18 for an 8-week session. Session dates are on going- be sure to see the Front Desk for up-to-date information.
